

# 49Connect

Connect 49 is an exciting new service for Central Bedfordshire. It is provided through a partnership between Central Bedfordshire Council, South Midland Connect and Centrebus, and is specifically designed to meet the travel needs of local communities.

The main part of the route between Leighton Buzzard, Hockliffe, Woburn and Woburn Sands runs like a traditional bus service. Just check the timetable to find out when the bus is due, signal for the driver to stop at any designated bus stop, and then pay your fare or show your pass.

Part of the route runs as an "on demand" service. These are shaded in green on the timetable. If you wish to alight at any of these points, you need to tell the driver when you get on the bus. If you wish to board here, you need to book in advance by telephone. Further information is shown below. Remember, if passengers do not book the bus for these points, the bus may take a different route.

Times shown for "on demand" points are approximate. We will confirm a time to you when you book, and always aim for the bus to arrive within 10 minutes of the time we tell you.

If you would like more information about this service, or have a suggestion, please do get in touch. 49 Connect is all about working with you for a better service.

## How to pre-book this service:

Bookings are only required for customers boarding at "on demand" points (shown in green on the timetable). To book, please call **0844 357 49 49** (lines open 0800 until 1600 Monday to Friday).

Bookings must be made at least 1 hour in advance. Bookings for Saturday services need to be made before 1600 on Friday.

When you book, we will need your name and contact details. We will then confirm that your request can be met, and confirm the time of the pick up for you. You can normally only book one trip at a time.

We are also pleased to take bookings for regular pick-ups from season ticket holders.

**TO PRE-BOOK THIS SERVICE PLEASE CALL: 0844 357 4949**

## Fares:

We can offer a extensive range of great value tickets for different occasions. Of course you can buy a standard ticket from the driver when you board the bus, but you may wish to ask our driver for our 15% TANGO RETURN tickets and enjoy a 15% reduction off our standard single and return fares, this is available when two persons travel together. It is also worth considering a day, weekly or combined ticket that will undoubtedly save you money on your bus travel, just ask the driver for details.
